

Job Description

TEACHER

The Center Academy teacher will:

- Facilitate the learning that occurs in the classroom through individualized programming and attention to individual needs.
- Be the leader in the classroom, with the knowledge and ability to work with our diverse population.
- Implement accommodations and modifications for each child, as needed.
- Conduct themselves and dress in a professional manner at all times.

Primary Responsibilities:

- Instructional leader tasked with individualized programming of each student, based upon their ability levels and learning styles.
- Responsible for all day-to-day programming, activities, grading and classroom management.
- Participate in bi-weekly meetings, staff meetings and trainings.
- Perform all daily/weekly/monthly paperwork required by Director.
- Maintain accurate records of attendance, grades and student behavior.
- Supervision of a teacher assistant.

Job Qualifications:

- B.S. in Education, or other related field.
- Experience working with children who have learning disabilities and/or Attention Deficit Disorder.
- Competency in instructional practices that accommodate children who have learning disabilities and/or Attention Deficit Disorder.
- Familiarity with effective classroom management strategies.
- Strong organizational and communication skills.
